

Mental Health Task Force
6-6-18

- I. Welcome/Check In
 - a. Viewing of Maya Angelou reading We Wear the Mask by Paul Dunbar
 - b. Check in/discussion
 - i. Students asking about the progress of the task force
 - ii. Discussion of a blog or website to provide updates and a way for people to provide suggestions for the task force
 - iii. Discussion of holding open forums in the fall
- II. Framework and Brainstorming for Subgroups
 - a. Discussion of subgroups – should they be parts of the ecological model, or specific topics and the groups use the ecological model to address their topics
 - b. Six areas were selected as possible subgroups: Wellness, prevention, Early Identification, Treatment, Ongoing Support, University Policies and Procedures
 - c. Members brainstormed issues to fit into each subgroup
 - d. Discussion of developing a more succinct goal/mission for the subgroups to follow as they work; Christi Hurt, Madelyn Percy and Jeni Cook volunteered to draft a mission statement
