

Mental Health Task Force

1/30/2019

- I. Welcome – Erica Wise
- II. Report draft discussion
 - a. One objective is to identify what's missing from report
 - b. Report is public facing, not journal article, so recommendations should be actionable
 - i. One recommendation is to form committee to continue work of MHTF
 - ii. Be precise about what recommendations can be implemented immediately vs. next semester vs. long-term
 - c. Early Identification group will have meeting on Feb 1st to demo Protocol; may have additional feedback
 - d. Students are interested in MHTF and have requested to see draft
 - i. Need for transparency and desire for additional feedback to identify blind spots and discover what excites students
 - ii. Decision to develop PowerPoint that covers emerging highlights, themes, and recommendations
 - 1. Savannah will send to Task Force by Feb 1st, Task Force members will present to constituents and send feedback to full group by mid-February
 - e. Note to standardize recommendations for faculty
 - f. Next steps: subgroups will revise using most recent copy of working draft; Angela will review and edit; need alignment across sections once content is updated; goal to finish report by end of February
